your light

Don't you dare look out your window,
darling everything's on fire
The war outside our door keeps raging on
Hold onto this lullaby even when the music's gone, gone

Just close your eyes, the sun is going down
You'll be alright, no one can hurt you now
Come morning light, you and I'll be safe and sound
Just close your eyes, you'll be alright
Come morning light, you and I'll be safe and sound
