Tuning: Tune up C to C# (1) (1•) (1••) | F to F# (4) (4•)

4• 3• 4• 3•, [24] 7  
4 3• 4•, [24] [57]  
6 4• 3•, 5, 5 7  
5 3• 4•, 4  
4• 3•, 2• [1• 135]

Something's in the air right now  
4• 3• 4• 3• 4• 7 [7 24]

Like I'm losin' track of time (Time, time)  
7 2• 4• 3• 4• 3• [4• 24], 3 6

Like I don't really care right now  
7 4• 3• 4• 3• 4• 7 [57] 1

But maybe that's fine  
7 4• 3• 3• 3•, 4 3 2 2 1

You weren't even there that day  
4• 3• 4• 3• 4• 7 7 [24]

I was waitin' on you (You, you)  
7 2• 4• 3• 4• 3• [4• 246]

I wonder if you were aware that day  
7 4• 3• 4• 3• 4• 3• 4•  
2• 2• [3• 35]

Was the last straw for me and I know  
3• 2• 3• [3• 357]  
2• 1• 2• 1•, 7, 2

I sent you flowers  
2• 7 2• 1• [6 13]

Did you even care?  
1• 6 1• 6 7 [235]

You ran the shower  
2• 7 2• 1• 6

And left them by the stairs  
7 1• 2• 3• 4• 7

Ooh-ooh-ooh, a-a-a-yyy  
3• [4• 24], 6• 7• 3•  
4• 3• 2• [3• 135]

Thought you had your shit together, but damn, I was wrong (Wrong)  
[4•4] 3• | 4• 3• | (3x) 4• 4• 4• 3• 4• [72]

You ain't nothin' but a lost cause (Cause, cause)  
| 4• 3• | (3x) 4• 4• [72]

And this ain't nothin' like it once was (Was, was)  
7 | 4• 3• | (3x) 4• 4• 7

I know you think you're such an outlaw  
7 | 4• 3• | (3x) 4•  
4• 3• 2• 3•, 4 3 2 1

But you got no job (Job)  
3• 4• 3• 4• 4• 7

You ain't nothin' but a lost cause (Cause)  
| 4• 3• | (3x) 4• 4• 7

And this ain't nothin' like it once was (Was)  
7 | 4• 3• | (3x) 4• 4• [72]

I know you think you're such an outlaw  
7 | 4• 3• | (3x) 4• 5• 4• 3• 2• 1• 7 1•

But you got no job  
7 1• 7 2• 2•

I used to think you were shy (Shy)  
7 6 7 6 7 2•

But maybe you just had nothing on your mind  
| 6 7 | (3x) 4• 3• 2• 3• 2•

Maybe you were thinkin' 'bout yourself all the time  
7 6 7 6 7 6 7 6

I used to wish you were mine (Mine)  
[2• 4•] [1• 3•] [1•3•] 2•

But that was way before I realized  
7 6 7 6 7 2•

Someone like you would always be so easy to find  
6 7 6 7 6 7  
4• 3• 2• 3• 2•

(So) So easy (So, so), Hee, mm, mm  
7 6 7 6 7 7 6 7 2•, 4• 3• 4• 5• 4• 3• 4• 2• [1• 1 3 5]
